

***SOCM Package***

SOCMBridge

SOCM  
Database

```
graph TD; subgraph SOCM_Package [SOCM Package]; SOCMBridge[SOCMBridge]; SOCMDatabase[(SOCM Database)]; SOCMBridge --> SOCMDatabase; end
```

The diagram illustrates the architecture of the SOCM Package. It is contained within a light blue rectangular frame. At the top is a light blue header bar with the text ***SOCM Package***. Below this is a gray rectangular box labeled SOCMBridge. A blue line with an arrowhead points from the bottom of the SOCMBridge box to a blue cylinder representing the SOCM Database. The cylinder is labeled SOCM Database in white text.
